Dear Parents

Annual consent form for school trips September 2016 – July 2017

This consent slip will cover all trips that your child goes on this year. We will send you a letter about each trip before it takes place. You can tell us if you do not want your child to go on one of the trips. Your child will then come to school as normal, and go into another class.

Please tell us if your child has any medical condition, such as asthma for example. Please tell us if your child needs to take any medication during school trips.

This year, children who are entitled to free school meals through the benefits system will get a cheaper price for school trips. This is because the school receives "Pupil Premium Funding" for every child who is entitled to free school meals benefits. Please make sure that you apply for free school meals as you may be entitled to cheaper school trips.

Please note if your children are in Reception, Year 1 and Year 2, they do not have to pay for school meals. However, if you want to have cheaper school trips, you will need to apply for free school meals benefits for your children. Please come to the school office and we will give you the forms.

Yours sincerely

Miss E Palmer
Headteacher

Name of child _____ Year _____

I consent for my child

- To take part in school trips and activities that take place off the school premises.
- To be given first aid or urgent medical treatment during any school trip or activity.
- I understand that the school may ask me to pay a contribution for the trip.

Details of my child's medical condition and the medication that should be taken on school trips.
(if any)
