Yolanda Year has been practising spelling the days of the week and the months of the year but she has forgotten one really important thing... they are all proper nouns that should start with a capital letter!

Write each name again so that it starts with a capital letter.

## Create a Months Poster!

To further practise writing these words and using capital letters, why not make a bright, colourful poster with days of the week and months? This could be displayed in your home to help remember the days of the week and months of the year. There are many Twinkl display calendars that you could model your poster on, e.g. [Minibeast Themed Display Calendar](#) or [Space Themed Display Calendar](#).

# Professor Punctuation's Challenge

All the words below are proper nouns and Professor Punctuation has spotted that they should be written with a capital letter. Please help her to correct the words by writing them out correctly. If you get stuck, use the alphabet at the bottom of the page to help you remember what each of the capital letters looks like. The first one has been done for you.

# Common and Proper Nouns

Help Yolanda Year sort the following words into the correct columns. Correct the proper nouns by adding a capital letter when you place them in the 'Proper Nouns' column. Remember, proper nouns are the names of people, pets, places, days of the week and months.

**Remember:**

- Full stops come at the end of a sentence.
- Capital letters are used at the start of a sentence and for names of people, pets, places, days of the week and months (proper nouns).
- 'I' on its own is always a capital when you are talking about you!

# Give It a Go!

Look at the following images. Write a sentence about each picture and what the characters are doing. Remember to use capital letters and full stops. You can choose your own names for the people in the pictures and put them into your sentences.

**Remember:**

Say each sentence aloud before you write it to check it makes sense.

# A Parent's Guide to Terminology

In year 1, your child will begin to learn about grammar. Please use this guide to support your child when completing the activities in this booklet. The terminology used has been taken from the National Curriculum. It is a statutory requirement that children in year 1 learn this terminology, which will support their learning as they move through school.

**Noun** - Nouns are words that are used for naming people, places, feelings, days, months and objects. They can be categorised into common nouns and proper nouns.

**Common Nouns** - Common nouns are words for everyday animals, places, things or ideas. They are used to name general items rather than specific ones. For example; boy, girl, pen, table, love, gate, house, field are all examples of common nouns. Common nouns always begin with a lower case letter unless they come at the start of a sentence.

**Proper Nouns** - A proper noun is a naming word for an individual person, place or organisation. For example; Julie, John, Cadbury, London, Miss Jones are all examples of proper nouns. Proper nouns should always start with a capital letter. Proper nouns also include days of the week and months.

**Pronoun** - A pronoun is a word that replaces a noun such as he, she, my, you, they, it. The personal pronoun 'I' is used when we are talking about ourselves. It is always capitalised.

**Full Stops** - Full stops are used to show where a sentence ends. In school, children are encouraged to practise saying a sentence aloud before writing it to ensure it makes sense. Sometimes it is hard for young children to identify when to use a full stop when they begin to write at sentences. Begin by supporting your child to write individual sentences before moving onto a short paragraph.

### In the Countryside!

On Monday, I went for a walk in the countryside. My friend Tom came too. We walked past a field and saw a bull and some sheep. Tom told me to stand in front of the field. He took out his camera and I smiled. He took my picture and we carried on walking. Next we saw the farmer outside his house. He was called Mr Jones. He was feeding corn to all the noisy chickens that ran around his legs. I had a nice time at the farm.
