

### English

We are continuing with lots of reading in class and completing comprehensions. The children are also focussing on different grammar features in their writing. We are having a big push on handwriting this half term so please make sure your child is also practising at home! We will be looking at some more interesting texts!

### Mathematics

The focus this half term fractions and shape. The children will be applying what they have learnt using word problems. Please help your child to learn their times tables.

### Science

We will be looking at different materials and their properties. We will also compare materials, looking at similarities and differences. In year 2, we always look forward to carrying out experiments.

### Computing

The focus will be on questioning and how children can answer questions using different programs.

## Ashfield Valley Primary School

### Year 2 Spring Newsletter 1 2023

We hope you have had a fantastic half term and have been keeping safe!

#### Reminders:

- Please can you read with your child every day and also question them on their understanding. Do not forget to sign their reading records.
- Can I also remind you to practise spellings with your child for our weekly spelling test.
- Children will receive knowledge organisers. Your child needs to practise and rehearse the information that is on the sheet.

If you have any questions please come in and speak to us.

Many thanks,

Mrs Nisar

Mrs Asad

Mrs Kauser

### Geography

We will be looking at where our food comes from and the journey that it takes to get to our plates. We will be linking our art topic to this also. It would be beneficial if children could look at food packaging and to read the origin of the food.

### Design and Technology

This half term we will be looking at drawing cartoon characters. In D&T, we will be making some exciting recipes with fruit.

### Physical Education/Outdoor Education

This half term the sport we will be learning will be focusing on net and wall games.

### Religious Education

This half term we will be looking at sacred texts and holy books which link to Christianity, Islam and Judaism.
