

English

We will be looking at some new books this half term that will link with our Science and Geography topics. We will continue to work on our comprehension skills as well as using features of grammar in our writing.

Mathematics

We will continue to focus place value facts and consolidate a lot of our previous learning. The children will become more familiar with fractions as well as doing some new learning about time. The children will become fluent with their 2, 3, 4, 5 and 10 times tables.

Science

In Science, we will look at plants this half term and the children will understand what plants need to survive. The children will be carrying out different experiments as well as growing their own plants.

Computing

This half term, the children will produce their own music using purple mash.

Ashfield Valley Primary School Year 2 Summer Newsletter 1 2023

Hello,
I hope you have all had a great break!

Please have a look at the reminders:
PE kits are needed every Wednesday.

Please can you listen to your child read every day and sign their reading record.

Spellings need to be practised every week!

The children will be completing their sats tests this half term! We will be doing plenty of practice in class to help prepare the children.

Many thanks,
Mrs Nisar
Mrs Asad
Mrs Kasuer

Geography

We will be exploring our wonderful world and looking at the ancient and new wonders of the world. The children will write about these wonders of the world and learn many facts.

Design and Technology

This half term, the children will be creating their own puppets using textiles.

Physical Education/Outdoor Education

The children will have a chance to learn skills around striking and fielding. They will also learn to work as a team and play competitive games.

Religious Education

This half term, we will be focusing how and why different festivals are special and sacred focusing on Islam, Christianity and Judaism.
