

Ashfield Valley Primary School:

Mission Statement

We want the children in our care to:

-  Develop into learners who are adaptable, curious and confident, and independent.
-  Have high expectations of themselves, both in school and within their community.
-  Have the opportunity to excel in whichever area their strengths lie.
-  Engage in a wide range of learning experiences which will prepare them for the future.
-  Feel valued, be happy and inspired within a safe and stimulating environment.
-  Develop a sense of discipline and purpose and strive to be good role models.
-  Embrace challenge and develop resilience.
-  Understand how to make lifestyle choices to benefit physical and mental health.
-  Be given the opportunity to speak freely and their opinions be heard, valued and considered.
-  Develop a respect and tolerance for all, both inside school and the wider community.
